Comic Festival Exhibitor Commitment

I understand that making application does NOT guarantee acceptance by Innovative Impacts.

I understand that other vendors participating in Origin Stories may, and some will, have identical or like products to those available from my business. Innovative Impacts takes every opportunity to make a diverse shopping experience for our audience.

I understand that there are no guarantees of buyers, income, or revenue from Origin Stories or its sponsors. I acknowledge and agree pending approval, my participation in the event will be subject to adherence to the policies and regulations noted in this application.

I understand that tables are not provided, but a **limited number** of 8ft tables may be rented for \$10

The right to participate in the market may be revoked at any time by the market manager. Reasons for revocation include but are not limited to: selling unapproved products, conducting business in an illegal manner or in a way that is unbecoming to the event, or for any reason Innovative impacts deem relevant.
